Importance: High

I would say just be aware of it. Any word on when the information will be released? Please remind me of how the phased release will work.

Kathleen asked if we need to proactively have Steven bring up the Tire Crumb issue (and Subtitle D) or just be aware of it?

I'm in the office at least for part of the day. If it's ok, I'd like to talk with you for the first 15 minutes and then have Ron and Susie join us to take notes on what we need to prepare for Peter.
